

Employment Application

Thank you for your interest in becoming part of the Hearthstone Team. We think you will find our approach to caring for and serving our residents different from that of most other facilities, and we think that is the secret of our success.

We encourage you to review the "Tips" below before you complete the employment application to become a Team Member at Hearthstone. This application is designed not just to provide a history of your work experience so far, but to also provide you with the opportunity to "sell yourself" with some open-ended questions that will allow you to express what type of work you enjoy and what it is about Hearthstone that makes you want to be part of it. Our experience has been that people who are simply looking for any job do not usually succeed here for very long because our residents want and deserve staff who will make a real connection with them. To put it another way, employment at Hearthstone involves committed use of your heart, as well as your head, hands and feet.

That said, please review the individual job postings and Hearthstone's statement of mission, vision and values to help you better express the connection between you, your qualifications and your goals, and the specifics of what we are looking for in the job and as a member of our community. If you need more information to help explore that connection, including talking with a member of the staff or taking a brief tour of our facility, please do not hesitate to ask.

SOME HELPFUL INSIGHT AND ADVICE FOR APPLICANTS

- 1) If you are not able to complete your application at this time, feel free to take it home, if necessary. Be sure to fill it out **completely**. If you do not understand some aspect of the application or the statements we are asking you to agree to, please ask us. (We are a work environment that encourages people to ask good questions.) Even if you are attaching a resume or other materials, the information you provide on the application is your opportunity to tell us "why you would make a great employee" and will be the primary basis of whether we decide to bring you in for an interview or not.
- 2) We will verify all information you give us on your application. Any false or misleading statements will disqualify you from consideration. We are not as concerned with **what** you tell us as we are that you tell us the truth. Honesty is always the best policy, especially if you hope to become part of our team.
- 3) We will also verify your references, including obtaining feedback as to your work effectiveness from past employers. If we cannot reach or check your references, we cannot consider you for employment, so be sure to list valid names and phone numbers. Please be sure that everyone you list knows to expect a call from us and has your permission to talk with us. It may take a little effort on your part, but it will be well worth it if it breaks down an obstacle to getting employed.
- 4) We are committed to maintaining a drug-free workplace, and while we do not do pre-employment drug testing, we will conduct "for cause" testing as necessary. We do not tolerate the possession of drugs or alcohol on the premises nor do we permit our staff to work under the influence of drugs or alcohol, and we only seek potential employees with that same commitment.
- 5) Be as accurate and as flexible as possible when identifying the times you would be available to work. Carefully distinguish the difference between when you **want** to work and when you **can** work given your individual situation. If you can only work three days a week at a specific time, we may have something for you. If your work availability is more flexible, even involving some of the less desirable shifts, that may allow us to consider you for more open positions and available schedules.
- 6) Take full advantage of this opportunity to help **us** make the "connection" by taking the time and effort to learn a little bit more than the average applicant about Hearthstone and the expectations of the job. The first page of the application allows you to essentially tell us why we should interview you. Remember, the goal of the application is to get in the door for an interview, so for now just give us an honest, concise assessment of the "greatest hits" of your experience, personality, work ethic, past accomplishments, etc.

Completed applications may be mailed to Hearthstone of Beaverton, 12520 SW Hart Road, Beaverton, OR 97008, or may be dropped off at the Reception Desk, or may be faxed to 503.641.1118.

I understand that all employees of Hearthstone are hired and evaluated not only on the basis of their knowledge, skills and abilities as they relate to specific job duties, but also on legitimate work-related criteria such as attitude, dependability, initiative and a capacity for truly caring for Hearthstone’s residents, resulting in both individual success and the fulfillment of stated mission, vision and values.

I understand that as an employee of Hearthstone, I am also a “guest” in the “home” of the residents, and as such I must demonstrate patience, flexibility and respect, be an effective communicator, (listening, speaking and writing), and maintain a clean, well-kept appearance at all times.

I understand that this application remains current for only 30 days and that a representative of Hearthstone will contact me within that timeframe if a job opportunity exists that is a good match for my interests and experience.

I understand that Hearthstone does not unlawfully discriminate in employment and no question on this application is used for the purpose of limiting or eliminating any applicant from consideration for employment on any basis prohibited by law.

I understand that the hiring process includes reference checks, criminal background check, and verification of employment eligibility, and agree to provide the information necessary to complete these processes, (including social security number and birth date), in an effective and timely manner. I give my authorization to all parties involved in this process to verify information provided during the hiring process and my suitability for employment at Hearthstone, and release them from any/all liability as long as the information is provided and used lawfully and in good faith. I also understand that any offer of employment is contingent upon my successfully completing all aspects of the hiring process.

I understand that if I am hired, my employment is “at-will” meaning that Hearthstone or I may end the employment relationship at any time, with or without cause and with or without prior notice, except as prohibited by law. I further understand that this “at will” status cannot be changed except in a written agreement specifically addressing this status and signed by me, the Executive Director of the facility and a member of Hearthstone Management Services.

I certify that all information I have provided as part of the application process is true, complete and accurate, and that if any information is found to be false or misleading, I will be eliminated from consideration for employment or immediately discharged once hired, or whenever it is discovered.
